Microtechnological solutions for

- demographic change
- innovative workplaces and
- sustainability

are discussed at...

IVAM High-Tech Summit

April 04, 2019 @ LCC Dortmund, DE

Once a year, the IVAM High-Tech Summit brings together high-tech experts to tackle current challenges and solutions and set the course for the future.

Inga Goltermann is available to answer your questions about participation and the conference via +49 231 9742 7090 or go@ivam.de. Find the latest information at www.ivam.de/hts2019

*We look forward to seeing
you there!
Your IVAM Team*
